MATH 416

Group Feedback

2/24/15

Today you will seek feedback from your three group members. Take out the .pdf of your writing assignment along with this feedback sheet, and pass to the right. Read your group member's paper, and provide feedback on the accompanying feedback sheet. As you pass papers to the right, read the previous comments and take them into consideration as you add your own comments.

What is most informative or effectively communicated in this paper?

1.

2.

3.

(OVER)

How could this paper be improved?

1.
